

BITO FOLDING BOX EQ

(R)evolutionizes ergonomics and efficiency

HANDLING
PERFORMANCE
AT ITS BEST

NEW!

Multipurpose
folding box
with a genius
EQ score!

BITO

...or how do you store?

Take a (r)evolutionary approach to modern handling!

The folding box that really improves workplace ergonomics

Seesaw locking/unlocking profile

- Sides lock open with a simple push on the box shoulder
- Easy-to-operate mechanism prevents injury
- Developed in cooperation with leading ergonomists

Fold-up grip

- Optional feature
- Provides ease of handling for containers without grip opening
- Convenient and safe handling while folding box sides are completely closed

Permanently attached **interlocking lids** on request, tamper evident security seals are available separately.

Base options:

Standard base, ribbed base or double base

Inside label holder

- Optional feature
- Fitted inside, loss-proof
- Keeps container sides clean from sticky labels and glue residue
- Reduces cleaning costs

BITOBOX EQ

The folding box that scores high on comfort and durability

- > Folds flat to save storage space when not in use
- > Space saving ratio of 4:1
- > The ribbed base and double base versions are also suited for automated storage
